SUJITHA K

Salem 9342865895 sujithakarthikeyan8@gmail.com

Career Objective

A dedicated fresher with an interest in Full Stack Development, looking for an opportunity to learn and grow in a professional environment. I aim to build strong technical skills by working with modern technologies and gaining hands-on experience while contributing positively to team projects.

Education

Dhirajlal Gandhi College of Technology — **2023-2027**
Artificial Intelligence and Data Science — B.Tech
8.1

Holy Angels Matriculation.Hr.Sec.School — **2022-2023**
12th — HSC
81%

Vinayaka Vidyalaya Matric.Hr.Sec.School — **2020-2021**
10th — SSLC
PASS

Skills

Technical Skills

Familiar with Python and SQL for basic programming and data handling, experienced in building user interfaces and have hands-on exposure to mobile application development using Flutter and React Native. Also proficient in using Git and GitHub for version control and project collaboration.

Projects

SPELL CHAMP

- **English Learning Mobile App-** Contributed to frontend development of a Flutter-based application for vocabulary and communication practice with interactive UI and Firebase integration.

ZERO HUNGER

- **Food Redistribution Platform** – Contributed to the development of a web platform connecting food donors with beneficiaries, focusing on clean UI and structured data handling.

Tribal Community Support App

- Contributed to frontend development of a React Native mobile application designed to provide essential information and support services for tribal communities.

Internship

Hackathon

Completed an internship at Apex Seekers, where I worked on a face detection–based attendance system. Actively participated in Smart India Hackathon (SIH) and multiple college-level hackathons, gaining exposure to team-based problem solving and real-world project development.
